WSJH DIGITAL LEARNING DAY 2023 AGENDA/OVERVIEW

Morning meeting- Kahoot game that sparks interest about the use and advancements of technology in learning with students.

Post in School-Wide TEAMs platform- Student video creation contest that asks students to share their voice about technology in learning using Flipgrid (See flyer).

In the classroom- Encourage teachers from different areas of the school to co-teach a coordinated technology-infused lesson on that day.

Social Media Blast- Share some of the great things happening in the school and classrooms.
